

## **Clara Cuniot is appointed Group Senior Vice President of Communications at OPmobility and associate member of the Executive Committee**

**OPmobility announces Clara Cuniot's appointment as Group Senior Vice President of Communications and associate member of the Executive Committee, chaired by Laurent Favre. Clara Cuniot succeeds Cécile Canet-Teil, who has decided to pursue her career outside the Group.**

This appointment comes as OPmobility is enhancing and accelerating its strategic positioning to benefit all types of mobility, as reflected in the company's recent name change. The Communications department will support the transformation of the Group and its businesses. Clara Cuniot will focus on promoting the unique nature of OPmobility's solutions and its commitment to innovative and sustainable mobility.

After beginning her career as a financial communications consultant, Clara Cuniot spent 10 years at Air Liquide, joining the company in 2014. Her roles included working as Head of Shareholder Communications from 2017 to 2021. She was then appointed Director of Hydrogen Communications, a position she held between 2021 and 2024.

Clara Cuniot joined OPmobility in March 2024 as Deputy Head of Communications.

Originally from France, Clara Cuniot is a graduate of Lyon's Institut d'Études Politiques.

## About OPmobility

OPmobility (formerly Plastic Omnium) is a world leader in sustainable mobility and a worldwide technology partner to actors from every mobility sector. Innovation-driven since its foundation in 1946, OPmobility has five complementary Business Groups offering its customers a wide range of solutions: intelligent exterior systems, customized complex modules, lighting systems, energy storage systems, and battery and hydrogen electrification solutions. OPmobility's customers also benefit from OP'nSoft, its inhouse software development specialist.

With €11.4 billion economic revenue in 2023 and an international footprint of 152 plants and 40 R&D centers, OPmobility relies on its 40,300 employees to meet the challenges of making mobility more sustainable.

OPmobility is listed on Euronext Paris, compartment A. It is eligible for the Deferred Settlement Service (SRD) and is part of the SBF 120 and CAC Mid 60 indices (ISIN code: F FR0000124570). [www.opmobility.com](http://www.opmobility.com)
